PROFILE

Over 10 years in hospitality: floor, kitchen, purchasing and cost control across hotels, fine dining, beach clubs and delivery.

I combine team leadership and openings with margin control. Key user for POS and stock management systems: implementation and team training.

EXPERIENCE

Cost Controller
Nov 2024 – Oct 2026

Grupo Trocadero · Costa del Sol

Premium dining and beach clubs: several venues and a central production kitchen. Operations team, reporting to general management.

- Food & beverage cost per venue: theoretical vs. actual cost, variance analysis and corrective actions.
- Recipe costings and technical sheets with built-in yield losses; costing of new dishes with the kitchen (R&D).
- Menu engineering: profitability and popularity of menus, price and offer adjustments.
- Month-end closing: inventories, stock variation, consumption and reporting to management.
- Purchasing control: delivery notes, invoices, agreed prices, incidents and credit notes.
- Supplier negotiation and approval; waste control and logging.
- Rollout of Ágora POS as key user and integration with G-Stock, CoverManager and A3.
- Training of floor, kitchen and bar teams in POS, ordering, goods receiving and inventories.

Maître d'
May 2024 – Dec 2024

Hoteles Globales Gardenia · Fuengirola

- Staff management across 4 outlets.
- Ordering, inventories and cost control.
- Guest service and incident resolution.

Maître d'
Sep 2023 – Nov 2023

Mercedes-Benz Gourmet Experience · Quito (Ecuador)

- Opening of Mercedes-Benz's first restaurant in Latin America.
- Recruitment and training of the front-of-house team.
- Wine pairing, menu engineering and menu costing.

Lautaro Barrera Cisterna

F&B MANAGER
